## DIVO

### STRUTTURE SCRIVANIE

Il basamento metallico è realizzato con due elementi a sezione rettangolare nella parte superiore e inferiore, la parte verticale è composta da elementi a forma ellittica. Disponibile nelle finiture cromate o verniciate con polveri epossidiche nei colori alluminio, nero lucido e bianco. La parte superiore è composta da un solido aggancio mediante travi metalliche che assicurano la stabilità dell'intera struttura.

### DESKS STRUCTURES

*Metallic base is made out of two rectangular shaped elements on the upper and lower part. The vertical frame is made out of elliptical shaped elements. Basement is available in chromed and epossidic paint aluminium, gloss black, white varnishes. The upper part is characterised by a solid hook through metallic beam which gives stability to the whole structure.*

### STRUCTURES DES BUREAUX

Le piètement métallique se compose de deux éléments rectangulaires dans la partie supérieure et inférieure; la partie verticale est composée d'éléments de forme elliptique. Disponible en finition chromée ou laqué aluminium, noir brillant et blanc. Les plans sont liés aux pieds par des poutres métalliques qui donnent stabilité à la structure entière

## DELUXE

### STRUTTURE SCRIVANIE

Il basamento metallico è realizzato con piedi conificati e curvati, dotati di piedini regolabili sulla parte inferiore. Disponibile nelle finiture Cromato o Verniciate con polveri epossidiche nei colori alluminio, nero lucido e bianco. La parte superiore è composta da un solido aggancio mediante travi metalliche che assicura la stabilità dell'intera struttura.

### DESKS STRUCTURES

*Metallic base is made out of conic shaped and curved legs provided with adjustable feet. Basement is available in chromed and epossidic paint aluminium, gloss black, white varnishes. The upper part is characterised by a solid hook through metallic beam which gives stability to the whole structure.*

### STRUCTURES DES BUREAUX

Le piètement métallique est réalisé avec des pieds coniques et courbés, équipé de verins de réglage. Disponible en finition chromée ou laqué aluminium, noir brillant e blanc. Les plans sont liés aux pieds par des poutres métalliques qui donnent stabilité à la structure entière.

## TRILOGY

### STRUTTURE SCRIVANIE

Gambe metalliche sezione diamante: disponibili nelle profondità L.60/80/125/165 cm, installabili solo agli estremi della composizione, sono realizzate in tubolare metallico trafilato a sezione trapezoidale (diamante), verniciate a polveri epossidiche nei colori: alluminio, nero lucido bianco o cromato. Sono dotate di piedino livellatore. Nella parte trasversale superiore sono predisposte agganci per il fissaggio della trave portante. Le strutture a ponte "CENTRALI" sono realizzate in tubolare metallico trafilato a sezione quadrata verniciate a polveri epossidiche nei colori alluminio, bianco oppure cromato, dotate di piedino livellatore. Nella parte trasversale superiore sono predisposte agganci per il fissaggio della trave portante. Opzionale, è disponibile il sistema "SLIDING" che permette di far scorrere il piano in orizzontale sulla struttura metallica in modo da accedere e ispezionare facilmente la parte inferiore nella quale viene posizionata la vaschetta per raccogliere i cavi in eccedenza.

### DESKS STRUCTURES

*Diamond metallic terminal structures are available in depth L.60 / 80 / 125 / 165 cm and can be installed at the end of composition only. Structures are made of steel triangular (diamond) section, varnished with epossidic paint in aluminium, gloss black and white colours or chromed with levelling feet. In the basement upper section there are hooks for load bearing beam fixing. CENTRAL metal bridge structures are made of steel square section, varnished with epossidic paint in white and silver colours or chromed, with levelling feet. In the basement upper section there are hooks for fixing the load bearing beam. Central structure is available in two versions: open or closed through steel panelling with 1 fixed side and one which can be inspectionable for wire management. Load bearing beams are made of rectangular section steel, varnished with silver epossidic paints. It is also available the "SLIDING" version that allows the horizontal desktop to slide on the metallic structure so that the lower part can be inspectionable for the placement of exceeding wire management box.*

### STRUCTURES DES BUREAUX

Pied métal à section diamant: disponible dans les profondeurs L.60 ou 80/125/165 cm, pieds à pont TERMINAUX, à installer uniquement dans les extrémités de la composition, sont faits de métal tubulaire dessinées à section trapézoïdale (Diamant), vernis de résine époxy aluminium, noir brillant, blanc ou chromé. Ils sont équipés de pieds réglables. Dans la pièce transversale supérieure sont disposés des crochets de fixation de la poutre de support. Les structures à pont "CENTRALES" sont faites de tubes de métal extrudé avec une section carrée peinte avec poudre époxy couleurs: chromé, aluminium, blanc et équipées de pieds réglables. Dans la partie transversale supérieure sont disposés des crochets de fixation de poutre de support. La structure "CENTRALE" est disponible en deux versions: ouverte ou fermée par des panneaux en acier avec un côté fixe et une face accessible pour la gestion des câbles. Les poutres porteuses sont en acier tubulaire à section rectangulaire extrudée, vernis de résine époxy, couleur aluminium. En option, il y a le système coulissant qui vous permet de faire défiler horizontalement le plan sur la structure métallique afin d'accéder facilement et inspecter la partie inférieure dans laquelle il ya la poche pour les câblages en excès.

## QUADRA

### STRUTTURE SCRIVANIE

Gambe metalliche sezione quadrata: disponibili nelle profondità L.60 / 80 / 125 / 165 cm, sono realizzate in tubolare metallico trafilato a sezione quadrata verniciate a polveri epossidiche nei colori, alluminio, nero lucido, bianco o cromato e dotate di piedino livellatore. Nella parte trasversale superiore sono predisposti agganci per il fissaggio della trave portante.

Le travi portanti sono realizzate in tubolare metallico trafilato a sezione rettangolare, verniciate a polveri epossidiche nel colore alluminio.

Opzionale, è disponibile il sistema "SLIDING" che permette di far scorrere il piano in orizzontale sulla struttura metallica in modo da accedere e ispezionare facilmente la parte inferiore nella quale viene posizionata la vaschetta per raccogliere i cavi in eccedenza.

### DESKS STRUCTURES

Bridge square metal structures are available in depth L.60 / 80 / 125 / 165 cm. Structures are made of steel square section, varnished with epossidic paint in aluminium, gloss black and white colours, or chromed, with levelling feet. In the basement upper section there are hooks for load bearing beam fixing. Load bearing beams are made of rectangular section steel, varnished with aluminium epossidic paints.

It is also available the "SLIDING" version that allows the horizontal desktop to slide on the metallic structure so that the lower part can be inspectionable for the placement of exceeding wire management box.

### STRUCTURES DES BUREAUX

Pieds métal section carree disponibles dans les profondeurs L.60 ou 80/125/165 cm, faits de métal tubulaire à section carrée vernis de résine époxyde aluminium, noir brillant, blanc ou chromé. Ils sont équipés de verins de réglage. Dans la pièce transversale supérieure sont disposés des crochets de fixation de la poutre.

Les poutres porteuses sont en acier tubulaire à section rectangulaire extrudée, vernis de résine époxy, couleur aluminium.

En option, il y a le système coulissant qui vous permet de faire défiler horizontalement le plan sur la structure métallique afin d'accéder facilement et inspecter la partie inférieure dans laquelle il y a la poche pour les câblages en excès.

## TAU

### STRUTTURE SCRIVANIE

Le gambe metalliche a "T" sono realizzate in lamiera metallica e verniciate a polveri epossidiche nel colore alluminio, bianco e grigio antracite nelle due tipologie, fissa H.72/74 o regolabile manualmente da H.72 cm fino a H 82 cm.

### DESKS STRUCTURES

"T" shaped metallic basement is made of metallic sheet varnished with epossidic paints in aluminium, white and anthracite grey colours in two variants, fixed H.72/74 or hand adjustable from H.72 to H.82.

### STRUCTURES DE BUREAUX

Les pieds métalliques en «T» sont faites de tôle et peint avec poudre époxy aluminium, blanc ou anthracite gris en deux types, fixes H.72/74 ou réglables manuellement cm H.72 à 82 cm H.

01	<b>BI</b> Bianco White Blanc	02	<b>AL</b> Alluminio Aluminium Aluminium	03	<b>GA</b> Grigio antracite Anthracite grey Gris anthracite

## STUDIO OFFICE

### OPEN WORK

#### OPEN WORK

Il sistema è composto da due tipologie di paretine: una realizzata con uno due pannelli di particelle di legno nobilitati melaminico e bordati perimetralmente con un telaio in materiale plastico altamente resistente; l'altra composta da un singolo pannello di particelle di legno nobilitato melaminico bordato abs.

Lo spessore del pannello è di 2,5

cm.

Le altezze disponibili sono: cm 82,6-113-121-160,6

#### OPEN WORK

*The system is made by two different kind of partitioning. The first one is made by melaminic panels framed by highly resistant plastic material. The other one is made by a melaminic panel abs edged.*

*Panel thickness is 2,5 cm*

*Heights available are 82,6; 113; 121; 160,6.*

#### OPEN WORK

Le système est composé de deux types de parois de séparation : une faite avec un- deux panneaux de particules de bois finition mélamine avec un châssis en matière plastique très résistante ; l'autre se compose d'un seul panneau de particules de bois finition mélaminé avec chants abs . L'épaisseur du panneau est de 2,5 cm .

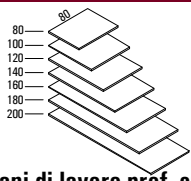

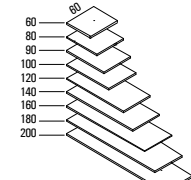

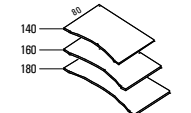

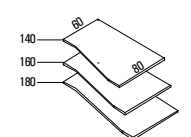

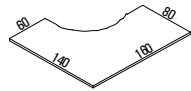

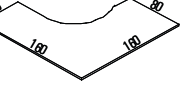

Les hauteurs sont disponibles: cm 82,6-113-121-160,6

**\*OPEN WORK può essere completato con cassettiere, mobili di servizio, contenitori ed accessori consultabili nelle rispettive sezioni da pag. 141 a seguire.**

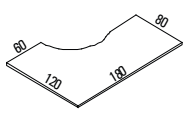

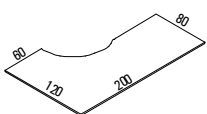

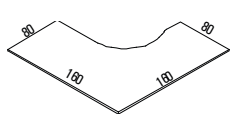

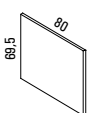

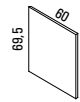

*\*OPEN WORK can be completed with drawers, service cabinets, cabinets and accessories to be found in the respective sections from page 141 on*

*\*OPEN WORK peut être complété avec caissons mobiles, des meubles de service, des armoires et accessoires disponibles dans les sections correspondantes à partir de la page 141 à suivre*

### CARATTERISTICHE

Parete fonoassorbenti con materiale interno composto da fibra di poliestere termoformata a densità variabile. Rivestimento tessuto trevira CS 100%. Resistenza abrasione e solidità alla luce. Lo speciale sistema di taglio e finitura dei bordi dona perfetta simmetria al pannello rendendolo idoneo ad un utilizzo sia su postazioni singole che su postazioni condivise. Il pannello è dotato di una fascia sottostante di materiale ad alta densità che conferisce rigidità al sistema e ne permette il fissaggio tramite un morsetto che stringa solo la parte inferiore, senza bisogno di utilizzare supporti invasivi. È un prodotto ecologico ottenuto da materiale riciclato e a sua volta riciclabile.

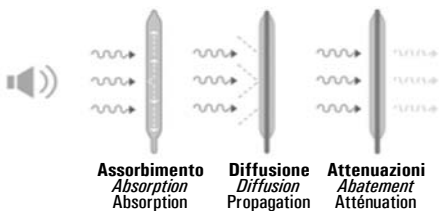

### CHARACTERISTICS

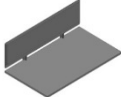

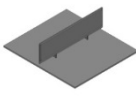

Acoustic panel with inside material thermoformed polyester fibre with variable density. External fabric MIRAGE C5 100% polyester. Abrasion resistance and light fastness. The special cutting and finishing of the edges bestows perfect symmetry on the panel, making suitable for the use as well on single and shared workstation. The panel is equipped with a lower band of high-density material that provides rigidity to the system and allows fastening just with a clamp on the lower section, without needing for invasive supports.

It is a eco-friendly product as it is produced with recycled and recyclable material.

### CARATTERISTICHE

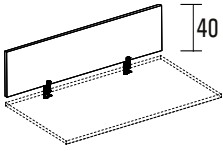

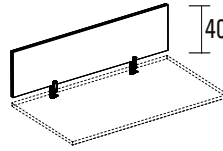

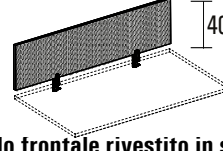

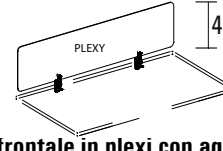

Cloison phonique composée intérieurement de matériaux en fibre de polyester thermoformé à densité variable. Revêtement en tissu Trevira CS 100%. Résistant à l'abrasion et à la lumière. Le système spécial de coupe et de finition des bords accordent une parfaite symétrie au panneau qui par cela est capable de s'adapter aussi bien pour des postes de travail individuel ou en équipe. Le panneau est équipé d'une gaine sous-jacente de matériaux à haute densité qui permet au système une certaine solidité et fixation au moyen d'un étau qui serre seulement la partie inférieure, sans le besoin d'utiliser des supports volumineux. Ce produit est écologique ayant été obtenu à partir de matériaux recyclés et qui de même peut l'être.

## CONDIZIONI GENERALI DI VENDITA

- 1) La proposta d'ordine è subordinata all'accettazione della ditta produttrice e deve essere confermata per iscritto, essa deve essere compilata citando modello, codice, quantità e tutte le altre notizie necessarie per accelerare l'evasione dello stesso.
- 2) I termini di consegna sono di 50 giorni, la mancata consegna a causa di forza maggiore o inadempimento dei termini di pagamento e qualsiasi altro motivo non danno luogo ad alcuna forma di indennizzo o risarcimento.
- 3) La merce viaggia a rischio e pericolo del committente anche se spedita in porto franco. Al committente spetta l'azione di rivalsa nei confronti del vettore per danni dovuti al trasporto, tali danni dovranno essere evidenziati sulle bolle di consegna rese firmate al trasportatore.
- 4) Qualsiasi altro reclamo riguardante la merce dovrà essere inoltrato per iscritto entro 8 giorni dal ricevimento della suddetta.
- 5) Non si accettano resi senza autorizzazione da parte della ditta venditrice.
- 6) Le vendite si intendono fatte sotto condizione sospensiva (art. 1449 cc) rimanendo la merce di proprietà della ditta venditrice sino a che non sia interamente pagata.
- 7) I pagamenti sono validi e liberatori solo se effettuati presso la sede della ditta venditrice nei termini e nei modi pattuiti.  
Nel caso di ritardo di pagamento decorreranno gli interessi di mora al tasso bancario in vigore.
- 8) I prezzi non contemplano l'I.V.A. e sono modificabili in qualsiasi momento ad insindacabile giudizio della società.
- 9) Per ordini di importo netto superiore a Euro 800,00 la spedizione della merce è in porto franco. Per ordini di importo inferiore verrà applicato un addebito in fattura pari all'8% del totale della merce a titolo di contributo spese trasporto, con un minimo di Euro 26,00.
- 10) Il presente listino annulla e sostituisce tutti i precedenti.
- 11) Per qualsiasi controversia, l'esclusivo foro competente è quello di Teramo.
- 12) Le condizioni sopra indicate hanno validità solo per l'Italia.
- 13) La Tecnoarredo srl, si riserva il diritto di apportare modifiche tecniche ed estetiche alla propria produzione, anche senza preavviso, al fine di migliorare i propri prodotti.

## GENERAL SALES CONDITIONS

### Pricing and Ordering Information

All orders and prices are subject to acceptance by the company. Prices are subject to changes without written notice. Orders will be passed to production only after customer pro forma written formal acceptance.

Out of standard products are subject to additional cost. Prices for changes are quoted upon request. All orders will be accepted with the understanding that PRICES IN EFFECT AS DATE OF ORDER ACCEPTANCE WILL PREVAIL. Unshipped orders are subject to price increase which will be calculated on the amount of time spent in the warehouse. The manufacturer reserves the right to make changes in material, colour, design or price without notice or discontinue any of the products listed in this catalogue without notice.

### Payment Terms

Goods remain of the property of the manufacturer until total payment. Method of payment is according to the agreement/contract accepted by the manufacturer and buyer.

### Shipping Instructions

Delivery is ex works. Prices do not include transport and handling charges.

Title of goods is transferred to the customer when shipment is consigned to the carrier. Extra charges will apply if special packaging is required.

**Damaged, Lost Or Short Shipments:** Tecnoarredo packaging complies with the requirements of consolidated freight classifications. All goods must be checked by customer immediately upon receipt and inspected for eventual damages or shortages. If a problem with shipment is discovered, goods must be kept for inspection by the carrier.

**Complaints** concerning manufacturing defects will have to be stated within 8 (eight) calendar days within goods receipt. They will have to be reported by official statement describing defects characteristics. Moreover complaint will have to be provided with picture report. Replacing goods will be shipped and **Caution:** If a shipment is received with damaged merchandise, or a shortage, and clear receipt is given to the delivering carrier, you are responsible to file claim with the carrier within 15 calendar days. Tecnoarredo s.r.l. will not accept return of damaged merchandise

### Assembly and Installation of Products

Assembly and installation of products is at customer charge. Tecnoarredo srl is entitled to change product technical and aesthetic characteristics to improve company production standards without giving communication in advance.

**Forum:** in case of any legal dispute, Teramo is the competent Forum.

## GENERAL SALES CONDITIONS

**Commandes:** toutes les commandes sont subordonnées à l'acceptation du siège. Elles doivent rapporter la gamme, l'article et quantité désirés et doivent être toujours confirmées par écrit.

**Livraison:** 7 semaines à partir du jour de la confirmation par écrit de la commande.

**Prix :** prix au public hors-taxe départ usine.

**Transport:** frais de transport et assurance à la charge de l'acheteur.

**Paiement:** la marchandise reste de propriété du fabricant jusqu'au moment du paiement total. Les paiements peuvent être effectués de la façon suivante: A) au comptant à la livraison - B) cheque avalisé par la banque - C) lettre de crédit - D) traite à moyen terme escompté sans recours avalisé par la banque - E) engagement bancaire irrévocable de transfert.

**Emballage:** cartons sur palettes filmées à ne pas défaire.

### Réclamation pour les dommages

La marchandise voyage aux risques et périls du client. Les défauts des emballage doivent être contestés à l'arrivée de la marchandise. Réserves éventuelles seront présentées immédiatement au transporteur qui est responsable de la marchandise à partir de la livraison jusqu'à son déchargement.

### Modification des produits

Tecnoarredo s.r.l. se réserve le droit d'apporter des modifications techniques ou esthétiques sans préavis à ses produits à fin de les perfectionner. Le client ne peut pas refuser la marchandise modifiée ou demander des modèles non modifiés.

**Tribunal competent:** en cas de litiges, on reconnaît exclusivement la compétence du Tribunal de Teramo (Italie).

# STUDIO OFFICE

## TERMINI DI GARANZIA

Tutti i mobili Tecnoarredo srl sono garantiti all'acquirente originale al momento dell'acquisto per un periodo di 2 ( due ) anni di servizio a turno unico dalla data di consegna. La Tecnoarredo srl garantisce all'acquirente originale che il mobile e tutte le sue parti e componenti nel momento in cui vengono spediti sono senza difetti nel materiale e nella lavorazione poiché il controllo qualità avviene sul 100% della merce prodotta. Per "difetto di produzione" si intende qualsiasi imperfezione che non rientra nello standard di prodotto e/o che ne compromette l'utilizzo del prodotto stesso.

La garanzia della Tecnoarredo srl è espressamente limitata alla sostituzione di parti e componenti di mobili. La garanzia sarà ritenuta valida solo se l'acquirente provvederà a rilevare i difetti di produzione entro e non oltre 15 giorni dalla data di ricezione della merce. I reclami non saranno presi in considerazione se non accompagnati da un elenco dettagliato dei difetti e da fotografie che ne comprovino il danno. I costi per la spedizione della merce difettosa sono sempre a carico dell'acquirente.

La garanzia è valida per normali condizioni d'uso. I mobili Tecnoarredo non possono essere utilizzati all'aperto, non possono essere messi a contatto con fonti di calore ed umidità.

Le parti in vetro devono essere maneggiate, movimentate ed installate con cautela; gli sportelli ed i cassetti devono essere riportati allo stato di chiusura subito dopo l'uso.

La garanzia non copre:

- 1) difetti causati da un assemblaggio o smontaggio improprio;
- 2) difetti che emergono dopo l'acquisto in seguito a modifiche apportate al prodotto o sue parti, danni intenzionali, incidenti, uso errato, abuso, negligenza, esposizione agli elementi;
- 3) difetti causati dal trasporto;
- 4) l'uniformità del colore, la venatura o la tessitura dei materiali di copertura, eccezion fatta per gli standard commercialmente accettabili.

Il Rivenditore provvederà a predisporre clausole di garanzia da fornire all'acquirente finale.

Egli potrà ampliare le garanzie offerte dal Fabbricante, ma tutte le garanzie aggiuntive saranno a carico e sotto la responsabilità del Rivenditore stesso.

Nel certificato di garanzia il Rivenditore dovrà prevedere, fra l'altro, le modalità mediante le quali l'utente finale dovrà attivare l'intervento in garanzia. Il Rivenditore effettuerà l'intervento in garanzia presso l'utente finale, anche se a carico della Tecnoarredo, che provvederà a fornire le parti da sostituire (se i difetti sono coperti dalla garanzia di Tecnoarredo srl).

Il certificato di garanzia predisposto dal Rivenditore per gli utenti finali impegna la Tecnoarredo nei limiti del prezzo di acquisto corrisposto dal Rivenditore

Il rispetto delle leggi vigenti nel Territorio, per quanto concerne la compilazione del certificato di garanzia, sono a cura e carico del Rivenditore.

## WARRANTY TERMS

The original buyer of Tecnoarredo srl furniture units is covered by a 2 (two) year "single-shift service" warranty starting from date of goods delivery.

Tecnoarredo srl guarantees to the original buyer that the furniture unit and all its parts and components are void of material and manufacturing faults since internal quality standards check and test products 100% before delivery. The word "manufacturing fault" in the warranty refers to any product that doesn't match with product standard and/or any imperfection affecting product use.

Tecnoarredo srl warranty is expressly restricted to replacement of furniture parts and components. Warranty will be applied only if eventual damages are being reported within 15 days from receipt of goods. Complaints will not be taken into consideration unless they will be specified by a technical description of the faults and by pictures showing the issue.

Any delivery cost for items replacement are on charge of the Buyer.

Warranty covers normal conditions of use. Tecnoarredo srl furniture cannot be used out of doors; in contact with heat sources and damp. Glass parts must be handled, moved and installed with special care; doors and drawers must always be closed immediately after use.

Warranty does not cover:

- 1) faults caused by incorrect assembly or dismantling;
- 2) faults and/or damages occurring after purchase caused by changes made to product or its parts, intentional damage, accidents, wrong use, abuse, negligence, exposure to elements;
- 3) faults and/or damages caused by transport;
- 4) colour uniformity, flame, grains or patterns of facing material, exception made for commercially acceptable standards.

The Buyer will provide warranty clauses to be given to the end buyer. The Buyer is entitled to extend the warranties offered by the Manufacturer, but all additional warranties shall be at charge and under responsibility of the Buyer. The Buyer must show in the warranty certificate the procedures by means of which the end user must request jobs under warranty. The Buyer shall carry out jobs under warranty on the premises of the end user, even if provoked by Tecnoarredo, which shall replace the parts to the Buyer.

The warranty certificate prepared by the Buyer for the end users shall commit Tecnoarredo srl within the limits of the price paid by the Buyer.

The Buyer shall undertake and be responsible for observing the laws applicable in the Area as regards the drawing up of the warranty certificate.

## GARANTIE

Tous les meubles Tecnoarredo sont garantis à l'acheteur original au moment de l'achat pour une période de 2 (deux) ans à compter de la date de livraison.

La Tecnoarredo Ltd garantit à l'acheteur original que le mobilier et toutes ses pièces et composants sont exempts de défauts de matériaux et de fabrication quand ils sont livrés, au moment que le contrôle qualité se fait sur 100% des marchandises produites. Pour « défaut de fabrication » s'entend toute imperfection qui n'est pas dans le produit standard et / ou affecte l'utilisation du produit même.

La garantie Tecnoarredo Ltd est expressément limitée au remplacement des pièces et des composants de meubles. La garantie est valable seulement si l'acheteur sera à détecter les défauts de fabrication au plus tard 15 jours à partir de la date de réception de la marchandise. Aucune réclamation ne sera considérée s'elle ne sera pas accompagnée d'une liste détaillée des défauts et des photographies qui prouvent les dommages. Les frais d'expédition de la marchandise défectueuse sont toujours payés par l'acheteur. La garantie est valable pour les conditions normales d'utilisation. Les meubles Tecnoarredo ne peuvent pas être utilisés à l'extérieur, ne peuvent pas être mis en contact avec des sources de chaleur et d'humidité. Les parties en verre doivent être manipulés, déplacés et installés avec prudence, les portes et les tiroirs doivent être fermés immédiatement après l'usage. La garantie ne comprend pas:

- 1) les défauts causés par un mauvais montage ou démontage;
- 2) les défauts qui surviennent après l'achat à la suite de modifications apportées au produit ou à ses parties, dommages intentionnels, accident, mauvaise utilisation, abus, négligence, l'exposition aux éléments;
- 3) les défauts causés par le transport;
- 4) l'uniformité de la couleur, le grain ou la texture des matériaux de toiture, à l'exception des normes commercialement acceptables.

L'Acheteur préparera termes de sécurité que doivent être fournis à l'acheteur final.

Il va étendre les garanties offertes par le fabricant, mais toutes les garanties supplémentaires seront en charge et sous la responsabilité de l'acheteur. Dans la garantie l'Acheteur doit fournir, entre autres choses, la manière dont l'utilisateur final pourra activer la garantie. L'acheteur fera le travail de garantie à l'utilisateur final, même si dépendant par la négligence de Tecnoarredo, qui fournira les pièces à remplacer (si les défauts sont couverts par la garantie de Tecnoarredo Ltd).

Le certificat de garantie établi par l'Acheteur pour les utilisateurs finaux commis Tecnoarredo dans les limites du prix d'achat payé par l'acheteur.

La conformité avec les lois du Territoire, en ce qui concerne la compilation de la garantie, sont en charge de l'Acheteur.
